Dear Mr. Koenings, *Jeff*

Thank you for letting me know of your continued commitment in support of the department's shared radio system. I'm glad to know that WDFW, State Parks, USDA and DNR are continuing a long-standing collaboration to enhance radio communications for our field forces.

We will work with your staff to develop an interim Memo of Understanding that will be incorporated in a December revision of the Interagency Radio Agreement.

Again, thanks for helping to fund an enhancement to the department's shared radio system. We greatly appreciate your help over the years and look forward to continuing an excellent partnership with your staff.

Sincerely,

Doug
